

# NM CC\*DNI Reg. Planning

- ▶ **Purpose** – Meet with state and local folks to discuss connectivity
- ▶ **Stakeholders** – We wanted to involve everyone who was interested
- ▶ **Desired ER** – Build partnerships and help generate plans
- ▶ **Measures** – Tough one! Ideally we see increased Erate, NSF grants

# Workshop Effort

- We have a strong partnership with NMSU and NMT
  - Co-PI on grant
  - Co Presenters
- Regional Schools (NMHU, ENMU, WNMU, NNMC)
- Regional Workshop at NM-TIE each year

# Topic Areas / Panels

- Research / Science DMZ needs
- K-20 Connectivity / Trends
- Economic Development
- Cyber Security
- Healthcare / Telehealth
- Carrier Topics
- First workshop held November 2015

# Tribal Workshops

- We also focused on tribal workshops
- Same concept, included Public Safety as a topic
- Held first tribal workshop NAU, Aug '16
- We will hold our last workshop 19 Oct.
